

Aluno (a):

Nº

01- Observe o valor que cada animal carrega e resolva as operações.

$$\text{Pig} + \text{Horse} = \square$$

$$\text{Horse} + \text{Sheep} = \square$$

$$\text{Sheep} + \text{Duck} = \square$$

$$\text{Sheep} + \text{Duck} = \square$$

$$\text{Pig} + \text{Pig} = \square$$

$$\text{Horse} + \text{Duck} = \square$$

$$\text{Horse} - \text{Sheep} = \square$$

$$\text{Sheep} - \text{Pig} = \square$$

$$\text{Duck} - \text{Pig} = \square$$

$$\text{Horse} - \text{Pig} = \square$$

02- Conte os animais de cada espécie e registre.
